

Nemours Children's Reading BrightStart!

Early Language and Literacy Success: Infant Toolkit (Birth—18 Months)

The Nemours Children's *Reading BrightStart! Early Language and Literacy Success: Infant Toolkit* is a flexible, developmentally appropriate instructional resource that enhances the skills of early childhood caregivers for supporting the growth of infants. The combination of experiences, books and sensory items teach critical language and literacy skills across all domains of learning to prepare our youngest learners for future school readiness and success.

The Early Language and Literacy Success: Infant Toolkit includes:

- Caregiver Handbook
- 12 Thematic Experience Guides
- 200+ Language and Literacy Activities
- Reproducible Materials (charts, picture cards and other thematic support materials)
- Professional Development Self-Reflection Tool
- Skill Development Checklists
- Family Engagement Letter

Item #: 0001 - \$359.95

Lakeshore Learning - Nemours Infant Toolkit

- Sensory Manipulatives Kit
